Enhance your career.

Professional Development programs
for legal professionals.

Turning CPD requirements in opportunities.

At The College of Law, we make it easy to manage a busy career and industry requirements for continuing professional development.

Our Professional Development team has created opportunities out of requirements. We have innovated and redesigned our Continuing Professional Development (CPD) programs to be more relevant to your practice, helping you to deliver the best possible outcomes for your clients.

Focused, purpose-driven and outcomes-based, our programs ensure your precious time is spent enhancing your career with learning that is immediately applicable to your role.

Led by passionate and experienced practitioners, and tailored for your level of experience, our programs will deepen your skill set across a variety of practice areas.

With delivery modes including face-to-face programs in our Sydney CBD campus, on-demand online, live webinars and more, we offer the flexibility for you to complete your CPD at your own convenience.

There's no time like now. Take a moment to find the programs that will most enhance your career and enrol today.

Our people

Programs are led by experienced practitioners from the bench, the bar, private practice and legal education.

Chris Bland
Principal,
Legal Tradecraft
Consulting

Jen McMillan
Legal Practice
Consultant,
Lawcover and
Accredited
Specialist (Wills
and Estates)

Simone Dixon
Assistant Director,
Professional
Development,
The College of Law

"Well thought out day. The best CPD I have done for some time and very pertinent to my role. Well done to Chris Bland for his presentations and guiding the workshop."

"Jen is a great presenter. She's very knowledgeable, covers all the material and answers questions succinctly and thoroughly."

"The feedback from Simone was great – she identified where improvement could be made and had helpful suggestions."

Our programs at a glance

Whether you want to advance in your career, specialise, become partner, set up a practice or work in-house, we can help you achieve your goals across a breadth of specialist areas:

- Business Law
- Employment Law
- Family Law
- Litigation and Personal Injury
- Mediation
- Property Law
- Wills, Estates and Trusts

New for 2018: Masters Pathway

We've introduced a new pathway from Professional Development to the Master of Laws (Applied Law). If you want a taste of the LLM (Applied Law), sample the program by completing advanced CPD workshops that can build towards a subject if you wish to pursue a Masters.

You must complete six workshops plus an additional assessment in your chosen area of practice. Look for programs marked with *.

See www.collaw.edu.au/masterspathway to read more or call **1300 506 402** to talk to us about your options.

Registering is easy

It's simple to register for your CPD programs at The College of Law. Just log on to our website, look through and choose the program you like. Pay for them online, then and there. No fuss.

Register for your CPD programs today at www.collaw.edu.au/cpd

Want to register offline? Call Client Services on **1300 506 402** to register.

Bonus Offer

Purchase 5+ CPD units in our early bird special and receive a **\$50 David Jones Gift Card** on us. Refer to inside back cover for details.

Our programs

The College of Law offers a range of program styles designed to add value to your practice and help you enhance your career.

Essential Guide Workshops

- Foundational-level of learning in a new area of practice.
- Practical scenarios and activities that will assist you in new areas of law.

Virtual Skills Workshops

- Experienced practitioners guide you through content online.
- Individualised feedback on your work.
- Flexibility to complete the program at home, or in the office.

Skills Workshops

- Hands-on practice and feedback to deepen your skills.
- Experienced practitioners and barristers lead your development in specific practice areas.

Advanced Conferences

- Experts discuss the latest trends and developments in specialist practice areas.
- Opportunity to network with other industry professionals.

Emerging Issues Programs

- Learn about recent decisions or changes in legislation.
- Segmented by legal specialisation for relevance to your practice.
